

## Primary Care Wound Formulary – First Line Dressings

- For the complete Primary Care Wound Formulary (including data sheets), see [here](#)
- When prescribing dressings, specify the number of individual dressings required **NOT** the number of boxes
- See Prescribing Guidance ([here](#)) for points to consider when selecting an advanced wound dressing
- For exudate and debridement guidance, see appendices of the Wound Formulary

Dressing size in cm and cost per dressing (Drug Tariff April 2017)
